Dear

I have considered the challenge and mitigating circumstances that you made in respect of the notice to owner/regulation 10 penalty charge notice dated «Corresp_Last_In_Date», which was served on you in respect of the above parking contravention, and they have been rejected for the following reasons;

The penalty charge of £«Notice_Outstanding_Account» is now payable. This must be paid or an appeal made, before the end of the 28 days beginning with the date of service of this notice (see below).

(The enforcement authority for all on street contraventions is Hampshire County Council. Fareham Borough Council act as agents for the county council and are therefore the issuing authority for the penalty charge notice and any further documentation or correspondence, that may be issued as a result. For all car park,

(off street) contraventions, Fareham Borough Council, are the enforcement authority).

You must now decide whether to pay the penalty charge or make a formal appeal to the traffic penalty tribunal.

NOTE: If you do not challenge and do not pay the whole penalty charge within the period set above, Fareham Borough Council may serve a charge certificate on you increasing the original penalty by 50%

HOW TO APPEAL:

If you disagree with the council's decision you can appeal to the independent adjudicator at the **Traffic Penalty Tribunal**. The adjudicators are independent of the council and their decision is final.

You can appeal now by visiting the tribunal's website: **www.trafficpenaltytribunal.gov.uk/appeal**
